

**I had a little frog!**

His name was tiny Tim.

I put him in the bathtub  
to see if he could swim.

He drank up all the water, *glug, glug, glug*  
he ate up all the soap *nam nam nam*  
and then he burped all day  
from a bubble in his throat!

**Hey little froggy what do you say?**

**Hey little froggy, what do you say!**

**“Ups! Excuse me!”**

**MY little frog!**
